

**Position:**

Senior Installer/Crew Lead

**Type:**

Fulltime / Permanent

Enerliv is a dynamic, innovative, and growing insulation company. We pride ourselves on providing superior customer service, the best products in the industry and a positive work environment. We currently service our customers through commercial construction, residential construction and retrofit residential installations.

As we seek to grow and develop our business we require an eager, motivated and hard working individual to join our team. We have an exciting opportunity for an individual experienced with construction techniques and mechanical systems to work as a senior installer and crew lead.

We are interested in hiring a person who is motivated to learn and take on responsibilities related to the management of installations both residential and commercial using a variety of insulation processes and products.

The successful candidate will possess:

- Experience in construction and renovation techniques (5-10 years +)
- Experience working with various types of mechanical systems
- Strong leadership and communication skills
- Customer service focus
- Willingness to learn
- Motivation to advance

This is a fulltime position which will require the successful candidate to:

- Manage and motivate an installation crew
- Ensure truck and equipment are set-up each morning along with all materials necessary to perform daily duties
- Ensure trailer, tools and equipment are in good working order
- Liaise with customers and ensure satisfaction is achieved at every job

**Remuneration**

Salary will range between \$45k and \$65 per year commensurate with experience.

Enerliv also offers an excellent employee benefits package.
